

QUALITY POLICY

Roadline Contracting Pty Ltd Specialises in Civil Infrastructure Works, Plant Hire, Traffic Control and Heavy Haulage in Western Australia.

Roadline is committed to providing consistent products and services that meet the quality requirements of our customers.

To this end, Roadline shall implement and maintain a Quality Management System which:

- Provides operational guidance in the form of quality processes, procedures and instructions which ensures that critical activities are performed in a planned, systematic, reproducible and efficient manner;
- Ensures compliance with all statutory requirements and the contractual obligations of all our agreements in relation to quality;
- Ensures the continuous improvement of our quality processes and methods of work;
- Conforms to the requirements of AS/NZS ISO 9001:2016; and
- Provides a framework for establishing and reviewing quality objectives.

It is the responsibility of all Employees and Sub Contractors to comply with this policy, and identify and manage relevant quality outcomes associated with our work.
